

HTFC Planning and Design is an industry leader in community planning, urban design, landscape architecture and interpretive design. We have an exciting opportunity for a dynamic Community Planner who will support Indigenous land and community planning projects from our beautiful office located in the heart of Winnipeg's historic exchange district.

### **The Opportunity:**

This role will appeal to planners with familiarity and understanding of Indigenous cultures and communities, who are inspired to support projects related to Indigenous Protected Areas; wildlife and land management; implementation of Treaty, resource development and northern flood agreements; community, regional, and municipal planning; and social planning.

Working at HTFC is ideal for those who thrive in new challenges and close collaborations. We are looking for enthusiastic planners ready to contribute and expand their skills to support rural and remote communities across Canada's Prairie, Boreal and Tundra regions and the gusto to get to work. If you are looking to work with a team of excellent people supporting meaningful projects, then we'd like to learn all about you!

### **Your Qualifications:**

- Post-secondary degree in Planning, Natural Resource Mgmt., Indigenous Studies, Env. Sciences, Community Development, Landscape Architecture, Geology, Geography or related field.
- Familiarity and understanding of Indigenous cultures, communities, and interests required.
- Experience organizing, reviewing and analyzing large amounts of information.
- Confident technical skills in mapping, graphic design and/or desktop publishing, highly valued.
- Understanding of planning / design processes.
- Strong verbal and written communication skills, capable of report writing under the supervision of senior planners.
- Previous education or experience in Indigenous land and stewardship, ecology, and community-based monitoring, biophysical processes, physical geography, and landforms, Ininiw or Anishinaabe culture and language, community planning, regional planning, will be considered an asset.

HTFC Planning & Design offers a friendly, inclusive work environment, competitive salary (commensurate with experience) and an exceptional benefits package that encourages professional development. We provide ample opportunity to expand your experience and refine skills and we thank you for your interest in our firm. To learn more about HTFC, please visit [www.htfc.ca](http://www.htfc.ca).
